

六级作文新题型模版

sth 为文章的中心词

第一段

1. I assume that you are familiar with the words of **sb**, who once said, “谚语.”
2. Definitely, 对谚语的解释. (记得最好用 not only...but also...)
3. It is obvious that.....中心句.

第二段

1. Simple as **sb**'s remark may sound, it contains abundant life philosophy and informs us of the significance of **sth**.
2. why does **sth** play an indispensable role in our life ?
3. **sth** enables us to achieve our objectives more smoothly and realize our dreams more rapidly.
4.the more...the more... (自己扩展一句)
5. Quite a few examples can be given to prove the importance of **sth**, however, I can think of no better illustration than the following one: how could 例子人物 do ... if he failed to do **sth** ? (反问句, 如果谁不做 **sth** 他就不可能成功之类的)

第三段

1. From my perspective, at no time should we ignore the importance of **sth**.
2. Accordingly, we should and always bear in mind that **sth** can (我们应该怎么样并且记住 **sth** 可以怎么样)
3. “自己编个谚语.” A famous philosopher also once said.

下面五篇为范文, 仔细品味

Directions: For this part, you are allowed 30 minutes to write a short essay entitled Unity breeds success by commenting on Albert Einstein's famous remark, "A snowflake is one of God's most fragile creations, but look what they can do when they stick together!" You should write at least 150 words but no more than 200 words.

Unity breeds success

I assume that you are familiar with the words of Einstein, who once said, "A snowflake is one of God's most fragile creations, but look what they can do when they stick together!" Definitely, A snowflake is easy to melt when it lands on the soil. However, when falling on the ground together, they can create a snow-wrapped world with splendid scene. It is obvious that unity transforms snowflake's vulnerability into strength.

Simple as Einstein's remark may sound, it contains abundant life philosophy and informs us of the significance of unity. why does unity play an indispensable role in our life? Unity enables us to achieve our objectives more smoothly and realize our dreams more rapidly. In such a competitive world of today, it is not personal strength that the achievement of any course depends on; it condenses the energies of a group. To further demonstrate the importance of unity, I would like to take Chinese Communist Party as a case in point, how could she achieve the victory of Anti-Japanese War if she failed to unite Chinese people of all ethnic groups?

From my perspective, at no time should we ignore the importance of unity. Accordingly, we should foster the consciousness of unity and always bear in mind that unity can create miracles no matter what obstacles we meet. "Many hands make light work." John Heywood also once said. (234words)

我觉得你应该对爱因斯坦说过的一句话非常熟悉,叫做“一片雪花是上帝最脆弱的造物之一,但他们抱在一起的时候却令人刮目相看。”确实,一片雪花,降落在地,极易融化消失。然而,当很多雪花一起飘落人间,他们足以创造出片银装素裹的美景。很明显,正是团结,将雪花从脆弱变得强大。

尽管爱因斯坦的话听起来很简单,但却包含了丰富的人生哲理,并告诉我们团结很重要。为什么团结会在我们的生活当中扮演重要的角色呢?团结可以使我们更顺利地达成目标、更快速地实现梦想。在竞争如此激烈的当今世界,任何事情的成功都无法仅仅依靠一个人的力量,而需要凝结整个团队的力量。为了进一步证明团结的重要性,我想以中国共产党为例,如果中国共产党没有团结各族人民的力量,她怎么可能去的抗日战争的胜利呢?

在我看来,我们任何时候都不能忽视团结的重要性。因此,我们应该培养团结的意识,并且永远铭记在心,只要团结,不管遇到什么样的困难,我们都能够创造奇迹。约翰.伍德也曾经说过“众人拾柴火焰高。”

Directions: For this part, you are allowed 30 minutes to write a short essay entitled Actions Speak Louder Than Words by commenting on William Penn's famous remark "A man, like a watch, is to be valued by this manner of going." You should write at least 150 words but no more than 200 words.

Actions Speak Louder Than Words

"A man, like a watch, is to be valued by this manner of going." I assume that you are familiar with William Penn's remark. The watch is crucial for every individual, because it tells the time by moving constantly. It is obvious that a man is of little value if he fail to act like a watch.

William Penn's remark aims at informing us of the significance of taking actions. We can not emphasize the importance of actions too much. Action will enable us to achieve our objectives more smoothly and realize their dreams more rapidly. The more action we take, the more likely we are to accumulate experience, master skills and get close to our destination. To further demonstrate the importance of A, I would like to take a famous Chinese fable story as a case in point. How could the "foolish old man" who dreamed of removing the mountain in front of his gate finally achieve his dream without taking constant actions?

From my perspective, at no time should we ignore the value of actions. Accordingly, not only should us posses a great dream, but we also should take actions to make it come true.

"actions speak louder than words." A philosopher also once said. (205 words)

威廉.佩恩（英国海军上将）曾说：“一个人的价值，就好比手表，是由他不断的行动来决定的。”手表对于每个人都很重要，因为它通过一刻不停的移动来告诉人们时间。很明显，一个人如果不想手表那样的行动，也就价值甚微了。

威廉.佩恩的话目的在于告诉我们采取行动的重要性。我们再怎么强调行动的重要性也不为过。行动能使我们更顺利地实现目标、更快速地实现梦想。我们采取的行动越多，我们就越能积累经验、掌握技巧并且接近目标。为了进一步证明行动的重要性，我想以一个著名的中国寓言故事做为例子：梦想移走门前大山的愚公，如果不采取持续的行动，怎么能实现他这个巨大的梦想呢？

在我们看来，任何时候我们都不应该忽视行动的价值。因此，我们不仅应该拥有梦想，还需要采取行动去实现。一位哲学家也曾经说过“行胜于言”。

Directions: For this part, you are allowed 30 minutes to write a short essay entitled The Importance of Innovation by commenting on Rosabeth Moss Kanter's famous remark "Mindless habitual behavior is the enemy of innovation." You should write at least 150 words but no more than 200 words.

The Importance of Innovation

"Mindless habitual behavior is the enemy of innovation." I assume that you are familiar with Rosabeth Moss Kanter's famous remark. It is obvious that a man who always stick to habit and experience can hardly create new things.

Rosabeth Moss Kanter's remark aims at informing us of the significance of innovation. Why does innovation play an indispensable role in our life? Innovation can promote the advancement of both individuals and society as a whole. Only those who are innovative can make continuous progress and maintain a competitive edge. Quite a few examples can be given to prove the importance of A, and I can think of no better illustration than the following one: how could Steve Jobs, a genius who changed the way of modern communication, recreation and even our life, launch so many powerful electronic products constantly without creative spirit?

We should always bear in mind that the consciousness of innovation is of great significance to us all. Hence, we need to develop a habit of discovering new things, using new methods and applying new thoughts in our work, study or simply everyday life. "Innovation is the spirit of human being's progress." A philosopher once said. (202 words)

"不用心思的习惯性行为是创新的敌人"我觉得你对 Rosabeth Moss Kanter 的这句名言很熟悉。很明显，一个总是遵循习惯和经验的人是很难创造出新事物的。

Rosabeth Moss Kanter 的这句名言目的在于告诉我们创新的重要性。为什么创新在我们的生活中扮演如此重要的角色呢？创新可以促进个人和整个社会的进步。只有那些创新的人才能去的持续的进步并且保持竞争优势。相当多的例子可以用来证明创新的重要性，我想不出比一下这个例子更好的了：斯蒂夫·乔布斯，这个改变了我们的通讯方式、娱乐方式甚至是生活方式的天才，如果没有创新精神，他怎么可能持续地发布功能强大的电子产品呢？

我们应该牢记在心，创新对于我们每个人都非常重要。因此，在我们的工作、学习甚至是生活中，我们要养成发现新事物、使用新方法、运用新思维习惯。“创新是人类进步的灵魂”一位哲学家也曾这么说过。

Directions: For this part, you are allowed 30 minutes to write a short essay entitled It Pays to be Modest by commenting on Joseph Addison's famous remark "Modesty is not only an ornament, but also a guard to virtue." You should write at least 150 words but no more than 200 words.

It Pays to be Modest

"Modesty is not only an ornament, but also a guard to virtue." Joseph Addison once said. Modesty can not only make someone look beautiful and well-mannered, but also serve as a guarantee to one's excellent character. It is obvious that people tend to lose their fine qualities if they are not modest.

Simple as Addison's remark may sound, it contains abundant life philosophy and informs us of the significance of modesty. why does modesty play an indispensable role in our life? Modesty can inspire people to achieve greater success. Those who are modest will never be content with their current achievements, instead, they will work constantly to achieve a higher target. Quite a few examples can be given to prove the importance of modesty, however, I can think of no better illustration than the following one: how could Benjamin Franklin, who was once a printer of humble origins, attain tremendous achievements in so many fields such as science, politics, literature and navigation if he was simply content with small achievements?

We should always bear in mind that modesty will prompt us to go farther. Accordingly, at no time should we be satisfied with our small accomplishments, instead, we need to keep an open mind to accept new things, absorb new information, acquire new knowledge and seize new opportunities. "Success consists in industry and modesty." A philosopher once said. (229words)

“谦虚不仅仅是一个装饰物，而且是美德的守卫者。”约瑟夫·艾迪生曾经说过。谦虚不仅可以使人看起来美丽、彬彬有礼，同时还是优秀品质的保证。很明显，一个人如果不在谦虚，他也很可能会失去优秀品质。

艾迪生的话也许听起来简单，但她却包含了大量的生活哲理，并且让我们明白了谦虚的重要性。为什么谦虚在我们的生活中扮演如此重要的角色呢？谦虚可以使人获得更大的成功。那些谦虚的人永远都不会满足于当前的成就，取而代之的是，他们会一直努力地工作，来达成更高的目标。相当多的例子可以用来证明谦虚的重要性，但是除了下面这个例子，我想不到更好的了。曾只是个出身卑微的印刷工本杰明·富兰克林，如果他只是满足于小小的成就，他怎么可能后来在科学、政治、文学和航海学等那么多的领域取得巨大的成就呢？

我们应该牢记在心，谦虚会让我们走的更远。因此，任何时候我们都不能满足于小小的成就，取而代之的是，我们应该保持一个开放的心态，去接受新事物，吸收新信息，学习新知识并且抓住新机会。“成功在于勤奋和谦虚”一位哲人也曾经说过。

Directions: For this part, you are allowed 30 minutes to write a short essay entitled It Pays to Plan by commenting on the humorous saying, “It wasn't raining when Noah built the ark.” You should write at least 150 words but no more than 200 words.

It Pays to Plan

“It wasn't raining when Noah built the ark.” I assume that you are familiar with the humorous and commonly-heard saying. It's still sunny and peaceful when Noah commences building the ark. It is obvious that Noah is planning for the unexpected weather.

Simple and humorous as the saying may sound, it contains abundant life philosophy and informs us of the significance of plan. Why does plan play an indispensable role in our life? Making plan will enable us to achieve our objectives more smoothly and realize their dreams more rapidly. The more detailed plan we make, the more likely we are to make full use of time, enhance our work efficiency, make full preparation in advance for unexpected cases. To further demonstrate the importance of unity, I would like to take CEO as a case in point, how could a CEO, the head and decision-maker of a corporation, deal with all sorts of complicated things smoothly if he fails to draw up a detailed plan for routine work?

From my perspective, at no time should we ignore the importance of making plans. Accordingly, we should draw up detailed plans before we start to do anything and do things as planned. ““He who fails to plan, plans to fail.” A famous philosopher also once said.

(218 words)

“诺亚在建造方舟的时候，并没有下雨。”我认为你应该很熟悉这句幽默而又耳熟能详的俗语。当诺亚开始建造方舟的时候，还是晴空万里、风和日丽。很明显，诺亚是在为难以预料的天 气做了计划。

尽管这句俗语听起来简单而又幽默，但是她却包含了大量的生活哲理，并告诉了我们计划的重要性。为什么计划在我们的生活中扮演如此重要的角色呢？制定计划能使我们更顺利地达成目标、更快速地实现梦想。我们制定的计划越详细，我们就越有可能充分地利用时间、提高工作效率并为未知的事件提前作好充分的准备。为了记忆不证明计划的重要性，我想用 CEO 的例子来说，一个企业的领导者和决策者，如果部位日常工作制定详细的计划，如何才能顺利地处理各种复杂的事情呢？

在我看来，我们任何时候都不能忽略制定计划的重要性，因此，我们在做任何事情之前都应该制定详细的计划，并尽量按计划执行。一位著名的哲学家也曾经说过“一个人如果没有成功地制定计划，他就是在计划着失败。”
